ANNOUNCEMENT

We take pardonable pride in the pedigrees herein cataloged and in the cattle as well. Selections from the Norwaldo herd were made with care and while many are listed that the owner would like to retain in the herd he hopes that the attractions offered will have a beneficial influence hereafter. It is doubtful if a more useful or better bred lot of Shorthorns will be sold at public sale in this state this season, and a study of the pedigrees following will verify this statement.

Dr. George C. Wood of Windfall is dispersing his entire herd and all are desirable individuals and with but few exceptions are Scotch cattle.

You are cordially invited to attend this sale at Norwaldo Farm on April 25.

Your attention is called to the pedigrees of Maxwalton Manor and Norwaldo's Avondale, as many of the cows are bred to one of these two bulls. There are also a number safe in calf to the \$5,000 bull, Lord Avondale, one of the greatest sires of the breed.

GUARANTEE

I guarantee all animals over twelve months of age breeders. Cows with calves at foot or five months along in calf are proven breeders and no further guarantee is given. All others of breeding age must be in calf, or get in calf, but if they do not after a reasonable trial, they may be returned to me in as good condition as received, and your money will be cheerfully refunded.

PEDIGREE

A transfer certificate of registry in the American Shorthorn Herd Book will be furnished for every animal, with the exception of the young calves sold with the dam.

TERMS

Cash or bank note bearing 6 per cent interest. Anyone not personally known desiring to give note for purchase please bring bank references. All stock will be loaded on cars after sale without trouble to the purchaser. Buyer's risk after bid off. All cattle will be tuberculin tested to conform with the different state requirements.

Liberty Bonds taken in payment for cattle.
